SERVICE

LOYALTY SONG

We're loyal to you, Elgin High!
We're Maroon and Cream, Elgin High!
We'll back you to stand
'Gainst the best in the land,
For we know you have sand, Elgin High!

Rah! Rah! Urrah! Urrah! Rah! Rah! Team!

So smash that blockade, Elgin High!
Go crashing ahead, Elgin High!
Our team is our fame protector;
On, boys, for we expect a victory
From you, Elgin High!

TO ELGIN HIGH SCHOOL

FAITHFUL SERVICE YESTERDAY BECOMES FIRM LOYALTY TODAY

Who comes first to the mind of the old grad as he recalls his happy days in E.H.S.? Who has given service of many kinds for more years than we can remember? Who is it whose very name spells school loyalty? Probably no one has stood out through the years in all these respects more than T. Arthur Larsen. He is as much a part of E.H.S. as are the school colors, Maroon and Cream.

A graduate of the school himself, Mr. Larsen came back to teach in 1908. He first taught science, then mathematics. Varied interests have stimulated his service to the school in many activities besides the classroom. His value was recognized by making him assistant principal in 1924, in which position he has helped carry on the best E.H.S. traditions.

Though he may be the symbol of discipline to some, to most of us and to our older brothers and sisters—yes, and to our mothers and dads, too—he means Elgin High School.

We salute you, Mr. Larsen

Class officers and adviser

The Class of 1945, numbering 360, entered into the school activities soon after their arrival in 1941. Mr. Shelby was the adviser.

About thirty students entered the class from Abbott in the sophomore year. At that time, too, Mr. Waggoner, better known as "Wag," became class sponsor. The class officers were Joe Ladd, president; Pat Dougherty, vice-president; Barbara Anderson, secretary; and Chuck Becker, treasurer.

The Snowflakes, with their purple and white class sweaters, began their third year resolving to help get the war over, and so aided in the Bond Drive and the Scrap Drive; some even left to light for our country. Their class play, "Junior Miss," fresh from Broadway, was a smashing hit and a selfout both nights. Snowflake Flurry was the name of the junior party. The class officers were Howie Foell, president; Ed Franzen, vice-president, Connie Bendewald, treasurer; and Eleanor Davis, secretary.

During the all-important senior year the

class was led by Ed Franzen, president, foe Konitzki, vice-president; Pat Dougherty, secretary; and Connie Bendewald, treasurer. The new upper classmen participated in the Sixth War Loan Drive and managed the selling of refreshments at the football games. Sadie Hawkins Day was the theme of their class party, with a contest for Li'l Abner and Daisy Mae won by Joe Ladd and Peg Miller

Skyroad," another Broadway hit, was the class play of the year. The Snowflakes topped all other attendance records by scoring a complete sellout the day the tickets came out

The senior class is truly a war class It entered in September, 1941, with the threat of war, and then in three short months found itself in the midst of a global war. Many of the class upon reaching 17 left school for the service. The honor roll of '45 numbered about 30 before the last semester. Soon after graduation the majority of the boys will leave for service or for the short-time advanced education allowed them

Chairman Bendewalt is congratulated on behalf of the Navy.

The students of Elgin High School, Elgin Academy, St. Edwards, and Abbott very successfully handled our city's Sixth War Loan Drive. The project was handled through a committee headed by Connie Bendewald, consisting of the studen.

The drive was launched at the Armory through a fine program presented by the Glenview Avengers. It was announced at that time that the twenty students with the greatest number of pledges and the five

with the greatest amount of money in pleages would be awarded a trip to Glenvier

The students of the four schools collected \$530,760 worth of bond pledges, going over the top of their goal of purchasing four Navy Avengers. The drive was climaxed at the Victory Ball held at the Armory, where the Avengers again played. Awards were presented to the schools for their efforts

Inter Nos" meaning "among ourselves' has been very active under Miss Irene Pielemeier. At Christmas time in the halls they sang the beautiful carols of Yuletide in Latin. At their meetings programs were planned to increase their knowledge and enjoyment of Roman life and mythology

The meetings included these programs. a play entitled "A Football Rally" in October; in February—'Pyramus and Thisbe"—Cupid initiation; records of Shakespeare's "Julius Caesar" in March; in April, a mythology quiz meeting

The seventy-six members were ably led by their officers, John Haddick, First Consul; Carol Dack, Second Consul, Ruth Johnson, Praetor; and Barne Pillinger, Quaestor.

Spanish

La Tertullia was formed at the beginning of this school year. All the students enrolled in the Spanish classes are eligible for membership in the club. Its purpose is to provide interesting background material about Spanish speaking countines for which class time does not permit

Some of the interesting programs have been talks given by Miss Black on Mexico and by Mrs. Chirieleison, a teacher at Garfield School, on Chili. Caroling in the hall at Christmas time was another of the projects of the club.

The officers of the club are Mary Lou Tracy, president; Adrea Koehler, vicepresident, Marilyn Bridge, secretary; and Mary Brown, treasurer. Miss Hazel Linkfield is the club's sponsor

Varsity Squad

Our '44 team started off the season in good shape until several key men met with unfortunate injuries. This injury "jinx" was not thrown off until the final game. Hard work made up for early losses. The returning letterman from last year's team were Phil Goldenstein, Chuck Garrett, Bill Turner, Tom Parker, and Don Westphal

Recognitions were bestowed upon Phil Goldenstein and Tom Parker Phil was selected for the All-Jilinois Prep team, which is selected by coaches and sport writers throughout the state, for fourth All-State team center in the Third All-State team, which is chosen by the Chicago Daily News, Tom Parker was named end

During the season Elgin's eleven won four games out of ten, lost four, and tied two. The challengers who yielded to our hard fighting team were Maine, Waukerin, West Aurora, and West Rockford Our conquerors were Proviso, East Rockford, LaSalle-Peru, and Freeport. Those good enough not to lose, but not good enough to win were Johet and East Aurora

Our fellows showed a commendable highting spirit. They went into each game with the determination to win and with confidence in their team mates, their coach, and themselves. Spirit and de ter ration were the outstanding characteristics of the 1944 team. The managers were Don Turnquist, Joe Hernandez, and Bob Smith
